

K1 Handcrafted Rosé 2006

This unique Rosé is made from 100% Cabernet Sauvignon from the Kuitpo Vineyard. The summer of 2006 produced stunning Cabernet Sauvignon grapes in the Adelaide Hills region and the fruit we picked was beautifully ripe.

Our grapes were crushed and left to soak on skins for only one day before the highly flavoured free run juice was drained away and fermented.

The result is a vibrant pink rosé, with forest berry fruits dominating the nose and scrumptious juicy flavors of strawberries and red cherries on the palate followed by tangy crisp acidity.

Variety: 100% Cabernet Sauvignon

Region: Adelaide Hills

Harvest: 4th week of April 06

Winemaking: Steel tank fermented from free run juice

Alcohol: 13.0 % alc/vol

Total acidity: 5.8 g/L

pH: 3.3

Residual sugar: 8.6 g/L

Total SO₂: 104 mg/L

Accolades
