

ADELAIDE HILLS

Silver Label

Rosé 2009

This unique Rosé is made from 100% Cabernet Sauvignon from the Kuitpo Vineyard. The summer of 2009 produced stunning Cabernet Sauvignon grapes in the Adelaide Hills region and the fruit we picked was beautifully ripe.

Our grapes were crushed and left to soak on skins for only one day before the highly flavoured free run juice was drained away and fermented.

The result is a vibrant pink rosé, with forest berry fruits dominating the nose and scrumptious juicy flavours of red cherries and strawberries and cream on the palate followed by tangy crisp acidity.

Winemaking
